

YLF supports Dan with his

FOCUS ON FINDING EMPLOYMENT

Care Leaver, Dan, had been struggling to find employment in the catering industry because he was told that he lacked both experience and required qualifications. So we thought we'd help Dan out and invited him to the office to support him in completing an online Level 2 Food Hygiene short course - which he passed with flying colours! Congratulations Dan!

“I’M REALLY GRATEFUL TO YLF FOR HELPING ME OUT WITH THIS AS IT REALLY GIVES ME A LOT MORE OPTIONS TO FIND WORK”
