

Children in Care Easter School

Tuesday 4th and Wednesday 5th April 2023

In collaboration with the University for the Creative Arts and the University of Kent, we would like to invite your students to take part in our FREE two-day Easter school this April.

The purpose of the events will be to introduce them to the concept of university, what it means to be a student, and of course, to have fun! Our friendly student ambassadors will spend both days with your students, guiding and supporting them through various activities taking place on our Canterbury Campus.

You students will be picked up at the start of the day and dropped off at the end in taxis accompanied by one of our student ambassadors, so no need to worry about transport. We will also provide them with breakfast and lunch on both days!

On day one, they will experience an introduction to life at university and a creative workshop at UCA's Canterbury Campus.

On day two, they will take part in further interactive activities in our new Verena Holmes STEM facility, whilst finding out about the additional support offered to care experienced students at university.

This event is suitable for students in year 10 up to year 12. Please pass on this fantastic opportunity to your young people that are eligible for this programme.

Please note that the deadline for applications is Wednesday 22nd March.
