Become a YLF Friend

Friends are regular donors who give as little as £2 per month

to support our young people to lead fulfilled lives.

Start making a difference today

Start a disadvantaged young person's journey with an initial first meeting with a volunteer to set and work towards achievable personal goals. Give them something to be proud about.

Give £5 a month

A vulnerable young person and their volunteer can spend the day having a new experience in the community. Increasing the young person's confidence and changing their outlook on life.

Give £10 a month

Socially excluded young people can go ice skating in a group, sharing a new experience and time with friends, building new skills and having fun.

Give £20 a month

A vulnerable young person can go on a three-night summer activity camp with a group - an experience they've never had before - a holiday, friendship building, memories and MAGIC!

Making regular donations makes all the difference. It means we can plan ahead, continue to support vulnerable young people in Kent and give them opportunities to live fulfilled lives.

Could you become a friend and help shape the future of a young person?

VIP Treatment

As a friend not only will you be providing critical support for young people but your generosity will also enable us to continue and expand our services to disadvantaged families across Kent. You will also be given a welcome pack for your loyalty and receive:

- ~ a gift in your welcome pack
 - ~ invites to exclusive events ~
 - ~ regular communication ~

"It's special knowing that the little amount I give each month goes a long way to helping the future of a local young person."

You can support YLF in an easy and affordable way that spreads the cost for you throughout the year and suits your budget.
