OUR MISSION

We aim to support young people to thrive through highly effective and accessible programmes where they:

The Young Lives Foundation (YLF) is an award winning children's charity in the South East of England with expertise in Advocacy, Mentoring, Befriending and Youth Programmes. We support over 3,000 young people and families each year including those in care, on the edge of care, care leavers, young offenders and young people disengaged in education.

OUR VALUES

At YLF we believe that all staff should be:

- **Passionate.** We are a charity that genuinely cares about young people and is driven by our passion and high standards
- **Stable and Consistent.** We offer long term support and a stable presence in our communities and people's lives
- **Honest with Integrity.** We are transparent and honest with strong moral principles and clear about what we do and why
- **Innovative and Flexible.** We are a 'can do' charity. We are agile and adaptable to change, open to new ways of working with courage and ambition. We learn, grow and offer value
- **Grateful.** We recognise and value the contributions and support of others, always saying thank you for the gifts of time, money and support given to us
- **Respectful.** We treat all people equally and fairly

OUR IMPACT

“You have done an amazing job helping us through a really difficult period, you were a perfect role model we needed to set us on the right path again. I wish every young person could have YLF in their life!!”

Mentoring - Befriending - Events - Youth Groups - Support in Custody

FUNDRAISERS & DONORS

YLF aim to raise over £600,000 a year to enable us to continue delivering our youth programmes.

WILL

Will has been lucky to have such amazing support from Lisa, which she wanted to continue when he turned 18, and made the transition into becoming a care leaver. Thanks to Lisa's support over the years and confidence building excursions together to the cinema, theatre and bowling, alongside support with interview preparations and CV work, Will has been able to get himself his first paid job upon leaving school!

AJ

AJ joined our Legends programme with a severe phobia of water due to a traumatic event in his past. Over a number of months our team worked with AJ to build up his confidence enough for him to just paddle in shallow water. Soon we progressed to helping him stand up in the swimming pool which he was so proud of. A few weeks later we held a residential trip to Wales where one of the activities was a gorge walk ending in a waterfall. A number of our young people who were strong swimmers opted out of this however AJ took the challenge on not once but three times. We were all so proud of him for overcoming his fear of water and for this phenomenal achievement.

SOPHIE

"I have been a part of YLF since I was put into care. I wasn't able to speak to anyone or go to school and so started attending the YLF groups where I could get out of the house and socialise with other people my own age. I also became a member of the MCYPC and have my very own advocate who is a Legend! YLF soon became like one big family and support network to me. I have grown in confidence and learnt lots of new skills. YLF is my safe place and I don't know where I would be without them."

NATHAN

"My leaving care mentor has helped me settle into independent living. It was a scary thought at first, to live alone, but he was patient and kind and taught me how to budget, cook for myself, get things done and prioritise. I have still got a way to go before I feel fully comfortable with this big change, but with my mentors help I know that I will be there in no time at all. He makes me feel confident in myself and knows how to deal with the things I throw at him. I appreciate this help a lot and don't know what I would do without him."
